Prompt

Description of the Subject + Type of Image + Image Style + Camera Viewpoint + Additional Rendering Details.

“A captivating landscape featuring a breathtaking mountain range bathed in the warm glow of orange and pink, capturing the sun's gentle descent on the horizon, presented in landscape photography, blending realism and impressionism, with a wide-angle perspective.”

Ángulos fotográficos

Macro: Extreme close-up shots, typically of very small subjects.

Headshot: Focuses on the person's face, often used in professional settings.

Glamour Shot: A style of portrait with a focus on the subject's appearance.

Portrait: Captures the personality or mood of a subject.

Medium Shot: Cuts off around the waist, showing some background.

Full Body: Includes the entire body of the subject.

Low Angle: Shot from a lower point, looking up at the subject.

High Angle: Taken from a higher point, looking down on the subject.

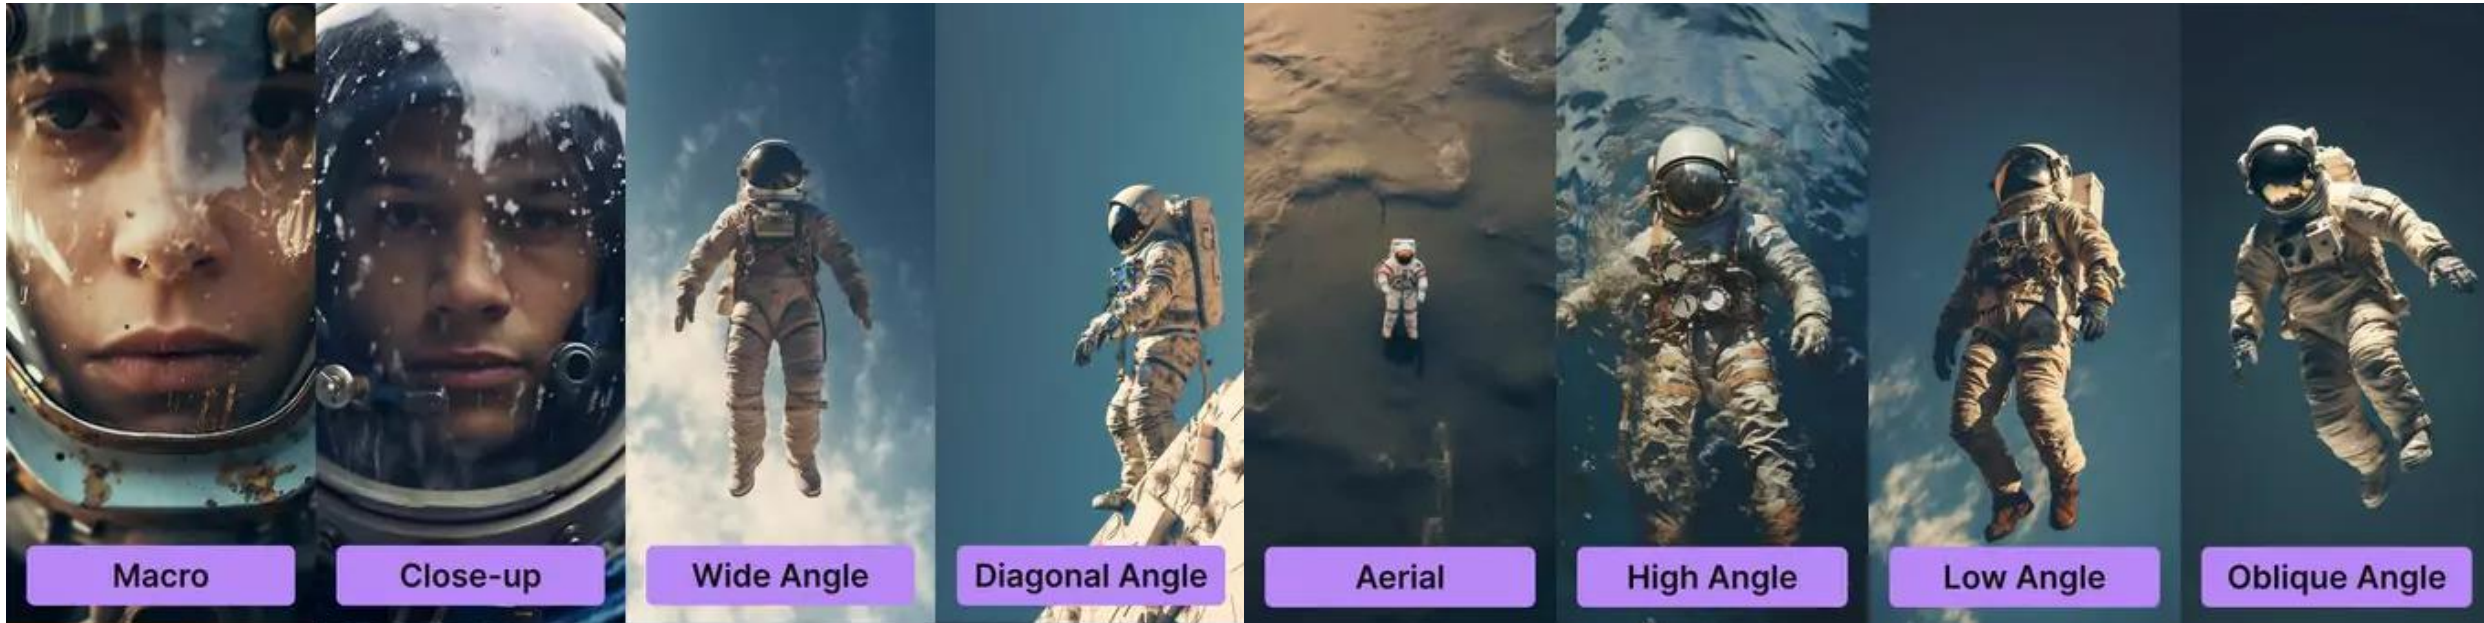

Wide: Shows a broader view or landscape.

Ultra Wide: Even wider than a standard wide shot, often panoramic.

Leonardo

The image shows the Leonardo.AI website banner and a preview of the user interface. The banner has a purple-to-pink gradient background with a grid pattern. It features two artistic images: a woman with pink hair and blue sunglasses on the left, and a cat floating in space on the right. The main text on the banner reads "Creativity, Unleashed." followed by "Leverage generative AI with a unique suite of tools to convey your ideas to the world." Below this are two buttons: "Get Started" and "Developer API →". The website navigation bar at the top includes the Leonardo.AI logo, links for Features, Solutions, Resources, For Teams, For Developers, Contact, and a Launch App button. The interface preview at the bottom shows a dark-themed dashboard with a sidebar containing "Leonardo DV", "Unlimited", "Home", "Library", and "AI Tools". The main area of the preview has the text "Bring your ideas to life" and "One platform, infinite possibilities", with a row of tool icons: Realtime Canvas, Realtime Gen, Motion, Image Creation (highlighted), Upscaler, Canvas Editor, and More.

Ideogram

A **Disney Pixar-style** medium shot of a young woman with long dark hair seated on a chair at the beach. She wears only a white tank top and nothing else, complemented by white slippers. The setting is a beautiful beach during the golden hour, with buildings in the background and a warm sunlight illuminating the scene.
